SERVICE REFRIGERATED MERCHANDISERS

Kysor Warren offers our service case options with multiple styles to fit your specific needs. Products are kept fresh and appetizing for maximum customer appeal. Our service merchandisers are ideal for displaying a variety of perishable foods; including salads, cheeses, fish, meats, baked goods and grab-and-go snacks!

All of our merchandisers come standard with non-CFC foam insulation, a heavy duty front bumper, and stainless steel bottom liner. When certified-quality and easy-to-service are combined, the result is the most durable case product in the marketplace. Kysor Warren's service merchandisers are built to last, longer than others.

- Non-CFC foam insulation
- Gravity or forced air refrigeration to reduce product shrink
- Stainless steel liner
- Heavy duty front bumper
- Large rear service door
- Multiple color options
- Longest lasting case in the industry

Discover the versatility of the service display that offers the ultimate in technology, sophistication and styling when merchandising deli, meat and seafood.
