## CASE TRIM PACKAGES

One of the biggest parts of the case buying process is making sure you're getting the right look for your new case.

Kysor Warren offers an array of case trim package options to fit your merchandising needs.

## PLATINUM TRIM PACKAGE

(Available exclusively on Stratus & F-Series case models)

The Platinum series is our top of the line trim package.

Exclusive features include the extruded aluminum canopy and price tag molding built into the rub rail.

### OPTIONS:

- Painted aluminum canopy
- Drop-down raceway
- Smooth body panels
- Plastic aluminum rub rail with price tag molding built in
- Brushed stainless steel or plastic Yoder trim

DX6LN Platinum with Boxed End

## MODERN TRIM PACKAGE

The Modern series is our stylized trim package designed for today's supermarket.

Features include a modern plastic Yoder and/or vinyl trim.

### OPTIONS:

- Canopy
- Rub rail with or without built in price tag molding
- Smooth body panels
- Vinyl trim
- Durable plastic Yoder trim

## TEXTURED CLASSIC TRIM PACKAGE

The Textured Classic series is a step above our basic Classic trim package.

This series features textured panels instead of smooth panels. Colorbands are narrow width.

### OPTIONS:

- Fabricated, painted textured steel canopy
- Textured body panels
- Painted, textured steel trim
- Textured painted raceway with brushed-stainless steel trim

## CLASSIC TRIM PACKAGE

(Available exclusively on Stratus & F-Series case models)

The Classic series is our basic trim package. This series can be noticed by its bright stainless steel features.

The canopy and colorband can be with or without insert. Colorbands are standard width.

### OPTIONS:

- Fabricated, painted steel canopy
- Smooth body panels and painted raceway
- Bright stainless steel trim
- Bright stainless steel Yoder trim
- Also available with flat style canopy
